Doctor
is

Producing premium texturized feed can be tricky, but not without its rewards.

Maximizing success depends upon:

1. Quality and processing of dry ingredients,
2. Optimal use of manufacturing facilities, and
3. Liquid coating used.

For a free diagnosis of your current situation, please complete the questionnaire on the back of this sheet and fax (608-935-5232) or fold and mail it to Quality Liquid Feeds.
