

## 2021 L-CBF MANUFACTURER REBATE PROGRAM

### What is it?

Quality Liquid Feed's L-CBF Manufacturer Rebate Program offers the opportunity to earn cash back based on tonnage to qualify you and your operation for reimbursement of precision fertilizer, storage and handling equipment. Use QLF's Liquid-Carbon Based Fertilizers (L-CBF) and save!

### How does it work?

# \$20/TON FOR UP TO 5 YEARS

For every ton of L-CBF purchased through QLF's, applicants receive \$20 in rebate rewards which can be applied towards purchasing L-CBF equipment. This could include equipment needed to add a liquid fertilizer setup to a planter, upgrade current planter setups, improve your current sprayer equipment and more!

**Step 2:** Send the receipt for equipment, invoices from L-CBF purchases and a completed W-9 form to [agronomy.info@qlf.com](mailto:agronomy.info@qlf.com) before November 1st, 2021.
